DETAILED ACTION

Claims **1 - 3, 5, 6** are pending. Claims **4, 7 - 18** have been cancelled.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claim **1** is allowed based on the following:

The prior art of record, considered individually or in combination, fails to fairly show or suggest establishing by the user contact rule(s) used for a service contacting the user after the at least one other entity has been contacted and the service automatically contacting each entity on the contact list and eliciting the specified information according to the at least one service rule in addition to the other limitations in a manner as recited in claims **1 - 3, 5, 6**.

Prior art of record does not disclose: establishing by the user at least one contact rule used for the service to contact the user after the at least one other entity has been contacted, wherein the at least one contact rule defines if, when, and how the user should be contacted; when the user is unavailable to initiate contact or upon being activated by the user, the service automatically contacting each entity on the contact list and eliciting the specified information according to the at least one service rule; and obtaining the specified information from the at least one other entity; and subsequently conveying the obtained information to the user.

Claims **2, 3, 5, 6** are allowed due to allowed base claim **1**.

So as indicated by the above statements, Applicant's arguments have been considered persuasive, in light of the set of claims with limitations as well as the enabling portions of the specification. The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitations set forth.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kyung Hye Shin whose telephone number is (571) 272-3920. The examiner can normally be reached on 9:30 am - 6 pm.
